- 1. The reports as regards threat perception have been submitted by the State of Haryana as well as the Union Territory, Chandigarh which are perused.
- 2. Status report as regards the progress in the investigation has been filed by Ms. Manisha Chaudhary, IPS, AIR/Administration, Haryana, Panchkula which is also perused.
- 3. In regard to the investigation aspect, we are told that the same is under progress and we expect the same to be concluded expeditiously. A perusal of the report regarding status of investigation in three offences in question reveals that the investigation appears to be perfunctory in nature since the Investigating Officer, despite expiry of a number of days, has not been able

to trace out the projectile of the bullet from the scene of crime, despite the

post-mortem report indicating that there was not only an entry fire-arm wound

but also an exit wound. Ms. Manisha Chaudhary, IPS, AIR/Administration,

Haryana, Panchkula, the Investigating Officer, is directed to conduct and

conclude investigation expeditiously without nursing any grievance for or

against any stakeholder.

4. In so far as the security arrangements in regard to the learned

Judge is concerned, the same have been beefed up. The report in regard to the

security arrangements has been perused. We are of the considered view that

ends of justice would be satisfied if paramilitary force, i.e. CRPF, is deputed

for the purpose of personal security of the learned Judge. As such, it is directed

that three/four CRPF personnel of appropriate ranks be deputed 24 x 7, for

personal security of the learned Judge, of course, which however shall remain

subject to the convenience of the learned Judge.

5. The Investigating Officer in regard to the three FIRs is directed to

conduct and conclude the investigation as expeditiously as possible and submit

fortnightly progress report.

6. The threat perception report be also submitted on a fortnightly

basis.

7. List on 04.11.2024.
