

## **PUBLIC NOTICE**

The Bombay High Court is pleased to announce the launch of its dedicated TELEGRAM Channel.

Telegram is a cross-platform social media communication app (available for Android and iOS).

Many Government Departments and Government Organizations already own their own Telegram channel. It is used to real-time information to subscribers.

The Bombay High Court Telegram channel features essential information updates, available free to all subscribers. The information includes daily lists, important notices and notifications, reportable judgments, circulars, updates, etc. This eliminates the need to constantly check the website. All data on the Telegram channel can be saved and searched. Click here to share, visit and join the channel <https://t.me/bombayhc>
