UPON hearing the counsel the Court made the following ORDER

There are various serious allegations made against Brajesh Thakur by the CBI. We have also noted the influence wielded by Mr. Brajesh Thakur in our order dated 20th september 2018.

2 ... In view of the serious nature of allegations made against Mr. Brajesh Thakur, it appears to us prima facie that it may not be appropriate in continuing his custody in Central Jail, Bhagalpur or any other jail in the State of Bihar.

Issue notice to Mr. Brajesh Thakur to show cause why his custody be not transferred to some other State in the country returnable on 30th October, 2018.

The CBI will serve him dasti.

We have also been informed by learned Special Public Prosecutor that Mr. Brajesh Thakur has constructed a four-storeyed building having height of 50 ft. with no window except on the top/fourth floor. This building was being used to run the shelter home which is the subject matter of our consideration.

It appears to us prima facie that this building is unauthorized. Learned counsel for the State of Bihar says that the matter will be looked into and notice for demolition will be issued if it is found that the structure does not conform to the legal provisions.

Special Public Prosecutor investigations are going on and he expects that the charge-sheets will be filed fairly soon. We

request the concerned Forensic Laboratories to expedite the analysis of samples so that Science the charge-sheets can be filed by the CBI.

Learned Special Public Prosecutor also says that investigations are being conducted into the transfer of some of the girls on or about 20th March, 2018 and the circumstances under which they were transferred.

It is pointed out by learned amicus curiae that Mr. Chandrashekhar Verma has still not been arrested and is absconding according to CBI and the State of Bihar. However, she says that as per her information, Mr. Chandrashekhar Verma has been seen in Patna in the official residence of his wife who was ex-Minister in Bihar.

The State of Bihar and the CBI will file a status report relating to delay in tracing the whereabouts of Mr. Chandrashekar verma.

Learned *amicus curiae* is permitted to file a Note on or before 29th October, 2018.

It is made clear that the CBI Team investigating into the incident in Muzaffapur should not be changed without leave of this Court.

UPON hearing the counsel the Court made the following

We have heard learned Standing Counsel for the State of Bihar.

Yesterday, we had adjourned the matter for today to enable learned Special Public Prosecutor for the CBI to look into the allegations made in the Report given by Tata Institute of Social Sciences (TISS) and to inform us whether it is possible for CBI to look into the entire gamut of allegations that have been made in the Report. We had requested learned Special Public Prosecutor to take instructions in view of the fact that after hearing learned Standing Counsel for the State of yesterday, we were of the view that the State Police was not doing its job as expected.

Today, learned Standing Counsel for the State of Bihar has placed before us a communication given by the Inspector General of Police (Provision), Patna, Bihar to learned Standing Counsel. The communication is dated 27th November, 2018.

We have gone through the communication and we are not at all satisfied with the contents of the communication, and, therefore, take no notice of it. That apart, since it is a letter addressed to learned Standing Counsel for the State of Bihar, we are not obliged to take notice of that communication and therefore, return it to learned Standing Counsel:

Learned Special Public Prosecutor for CBI has taken instructions from Mr. M. Nageshwar Rao, Director, In-Charge of the CBI and he has informed us in Court that, in principle, the CBI has no objection in investigating all the cases mentioned in the category of "Grave Concerns" by TISS in its Report. The "Grave Concerns" expressed by TISS relate to 17 Homes.

With regard to the Girls' Children Home in Muzaffarpur run by Sewa Sankalp Evam Vikas Samiti, the matter is already seized of by the CBI which is investigating into the offences alleged to have been committed.

The remaining instances mentioned in the Chapter with the Heading "Grave Concern" in the Report of TISS should also be looked into by the CBI. We direct accordingly. It is made clear that henceforth all the "Grave Concerns" cases will be investigated only by the CBI.

We also make it clear that the officers of the CBI who will be looking into these allegations and conducting investigations will not be transferred without the leave of this Court.
