CONDITION OF ROADS AND OTHER CIVIC AMINITIES

151. 12.09.2024

As per order no.148 dated 05.09.2024, learned nominated Advocates as per the list submitted by the learned President of the High Court Bar Association were required to submit a note regarding the conditions of roads and other civic amenities in their respective wards to the President of the High Court Bar Association by 09.09.2024.

Mr. Bijay Kumar Dash, learned President submitted the data obtained from 15 wards with photographs (i.e. Ward Nos.3, 5, 6, 7, 17, 18, 20, 24, 27, 29, 33, 36, 37, 45 and 52). He has also filed a memo with paper clippings relating to the road conditions of different wards, which are taken on record. The copies of the documents are handed over to Mr. Debasis Nayak-A, learned counsel for the C.M.C.

As per our previous order, Mr. Anam Charan Patra, Addl. Commissioner in-charge of Commissioner, C.M.C. appeared through virtual mode and Mr. Prabhas Majhi, Superintendent Engineer, R & B Department, Govt. of Odisha is also present in Court.

When we put pertinent questions to Mr. Patra

and Mr. Majhi as to the reasons for which the roads of Cuttack City are getting frequently damaged within a short interval after it is constructed/ repaired, whether there is any guarantee period for such civil work in the agreement, whether there are authorities for checking the repair works as per standard norms, whether there is any provision to take action against the contractors whose works are found to be sub-standard and the repaired roads got damaged within the guarantee period, it was told to us that there are suitable provisions in that respect. Let an affidavit to that effect be filed. In the affidavit, it shall be specifically mentioned in how many cases, action has been taken against the erring contractors executing sub-standard road works. Superintendent Engineer, R & B Department, Govt. of Odisha shall file affidavit in respect of the main roads and the City Engineer, C.M.C. shall file affidavit for the arterial roads.

The authorities concerned shall take immediate steps for repairing the damaged roads in the aforesaid 15 wards and submit the progress report with the affidavit to be filed.

In respect of other wards, Mr. Bijay Kumar Dash, learned President of the Orissa High Court Bar Association has assured to collect the list relating to

the condition of roads and other civic amenities within a week and hand over the same to Mr. Debasis Nayak-A, learned counsel for the C.M.C., who in turn shall forward the same to the C.M.C. authorities to take necessary steps for addressing the issues immediately.

Apart from the road works, the authorities shall also address the problems relating to the other civic amenities particularly street lights, repairing of potholes, sanitation issues, waste disposal, covering of drains by concrete slabs, sweeping of streets at regular intervals, clearing growth of vegetation which provides an ideal breeding ground for mosquitoes.

List this matter on 26.09.2024. The Secretary, Works shall join through virtual mode.

CONTROL OF NOISE POLLUTION DURING FESTIVE SEASON

152. 12.09.2024

Noise pollution is a common issue during festivals and can have a number of negative effects on people and the environment. It creates health issues, sleep disturbances and stress and it also affects the

academic performances of the students. The learned Members of the Bar expressed serious concern over the lack of effective steps being taken by the authorities to prevent loud music being played during festive seasons in different puja mandaps, cultural programmes, immersion procession etc. Festivals are an essential part of our cultural fabric and each one should enjoy it without compromising the well being of others. It is vital to address the issue of sound pollution during festivals by advocating for responsible celebrations, using protective measures and spreading awareness about the consequences of excessive noise thereby we can strike a balance between celebrating the traditions and preventing the deterioration of health of citizens and the environment. The spirit of festival should not be drowned in the sea of sound.

Let the D.C.P., Cuttack file an affidavit by next date regarding the preventive steps to be taken during the upcoming festive days for tackling sound pollution.
